

## **NDE Bulletin November 10, 2009**

### **ARRA Title II, Part D Competitive Grants Deadline Extended to November 20**

The deadline for submitting applications for the Title II, Part D portion of the American Relief and Recovery Act funds for technology is being extended to Friday, November 20, 2009. The extension is due to the fact that some school districts that were not eligible to apply under the 2008-2009 guidelines are now eligible under the newly-released 2009-2010 Title I figures.

Applications must be e-mailed to Jim Lukesh at [jim.lukesh@nebraska.gov](mailto:jim.lukesh@nebraska.gov) by the close of business on November 20 or be postmarked on or before November 20. Hand-delivered print copies will be accepted until the close of business on November 20, 2009.

If you have additional questions please contact Jim Lukesh at [jim.lukesh@nebraska.gov](mailto:jim.lukesh@nebraska.gov) or 402/471-0531.

### **ARRA/NCLB UPDATE November 2009 (Update)**

The telecast (November 10, 2009) included a section on the Study of School Level Expenditures that is required of all district eligible for ESEA Title I, Part A funds. The telecast neglected to announce that the report includes only 2008-09 school year expenditures.
